

Phosphate Restrictions Update

A number of cities, counties and states have enacted laws to restrict the sale and use of products containing phosphorus. Below is a list of jurisdictions known by Quixtar to regulate phosphate concentration in cleaning products. If you use phosphate laundry products in these areas, you may be in violation of the law. If you have any questions about products write Customer Support (58C-2A), Quixtar, Inc., 7575 Fulton Road E, Ada, MI 49355, call 1-800-253-6500 or email customer.support@quixtar.com.
